STATEMENT BY REFEREES

(To be used only when there is no Proposer or Seconder available)

If you are not known to two current SAC members for the required period for them to comfortably propose and second you into the Club, then the Club asks that you supply the names of **three** referees who the club can contact to check whether your interests and values are consistent with commitment to group effort where all members contribute and share the benefits equally.

Referees should be people who you have known for 2 years or longer, not related family, and whose association with you has been of a type where your personal philosophy and values can be gauged.

For example, flying instructors who supervise training or renewals, office bearers of Other clubs, teachers or lecturers who have instructed you in any subject, partners or associates in aircraft ownership or business generally.

A referee may be a current SAC member.

It is a condition of acceptance into the Club that you agree entirely with the rules and By-Laws of the Club, available on the club's website.
